

Summer of Gold Dorm Room/Facility Deposit Form

The International Skating Center of Connecticut will collect a \$25 room/facility deposit from all campers (local and dorm packages).

This fee will be collected to ensure that the dorm rooms, common areas and rink facilities are cared for with respect and that no purposeful damage is incurred.

Skaters are expected to leave their rooms, the café and lockers rooms broom clean. This means that the dorm rooms are vacuumed, dresser tops are wiped down and trash is removed at check-out. As well, this means that skaters can not leave a purposeful mess in the locker rooms or café. For a more detailed description or outline of our expectations, please contact the camp director at 860-651-5400 ext.20.

Provided there is no purposeful damage and the skater's dorm room, common areas and our facility is left cleaned (as described) all deposits will be refunded/returned.

Skaters will not be allowed to check into our dorm or facility until a room deposit is collected.

Skater's Name: _____
